RECYCLE UPDATE JANUARY 2023

Reuse & Recycle — Raising funds from your donated items

Over the years, we have raised over **£22,000** by recycling textiles, books, bric-a-brac, plastic milk bottle tops, stamps, coins and ink cartridges. We also raise funds by selling donated items in our Charity Shops. Thank you for all your support.

Last year we attended some fundraising events (fetes, fairs and talks) and we are looking forward to a lot more this year. Our Charity Shops, now fully open, are nicely busy with donations coming in. Our volunteers help at our Charity Shops and help sort the recycling donations. We always need more volunteers if you have a little time to spare.

Our Charity Shops

Newport Shop

16 Pyle Street, Newport
PO30 1JW
01983 214056

newportshop@abilitydogs4yp.org.uk

Recycling Textiles

Textiles are our best 'recyclables'. We sell all new or nearly new items in our charity shops and recycle the rest.

We have a super team of volunteers who sort all the textiles at our Training Centre. CTR collect the bags from us. They process and distribute to people in developing countries or chopped up to make mattress stuffing. They **accept** all kinds of adult and children's clothing, including school uniforms, bras, hats, shoes, belts, handbags, household textiles such as sheets, duvet covers, curtains and towels. They do not pay for duvets, pillows, sleeping bags.

We have always recycled textiles. We recycled a record **15.5 tonnes** in 2022 which raised **£3,600**. This brings our overall total to **£15,600**.

Books

We sell books in our Charity Shops and we have a very popular book table in the Coop store in Landguard Road, Shanklin. We recycle any unsold books. CTR pay 5p per kilo. This year recycled books have raised **£520** plus **£2,900** from the table at the Coop store.

Plastic Milk Bottle Tops

We have been recycling plastic milk bottle tops since 2016. We sort and store them and then they are collected by GHS Recycling. They are chopped up and made into hard plastic toys for children, such as slides and other garden toys. They also make more bottle tops!

GHS pay £30 for 500 kg (which is over 100 large black bags full). This recycling has raised over **£600** since 2016.

Plastic Milk Tops

Marked with a 2 or 4
recycling symbol
Washed with no
foil inside

We can only recycle sorted milk bottle tops: any colour, regular plastic milk bottle size and not small tops from cartons or water bottles. Our dedicated volunteers sort bags for us at home.

Bric-a-brac, Stamps, Foreign Coins & Ink Cartridges

We recycle unsold recycle bric-a-brac. We also recycle stamps, foreign coins and ink cartridges. The ink cartridge range is very limited: originals and no compatibles, contact us to check the list.
